Hello Sunday school families! Looking forward to seeing you all on September 8! I want to thank you for bringing your children to church each week... I know it's a commitment that can be hard at times, however, what a great investment for your child's future! Knowing Jesus is the best thing 😊 As you know, my teachers and I love teaching your children about Jesus .

♥ I miss them and looking forward to seeing them; sending my love and hugs

love
